

HLC Site Team Exit Interview

October 5, 2017

Positive Feedback from Team Chair

- **Facilities**
- **Equipment**
- **State support of technical education**
- **Success coaches and student retention**
- **Shared governance and teamwork**
- **Communication and positive campus environment**
- **Planning/SPOL/Assessment**

Fix A.S.A.P....

- MSDS (Materials Safety Data Sheets)—Consistent, complete, and locate-able in every applicable lab/facility area.
- Ensure that WDT includes HLC probationary statement on the back of official student transcripts.
- Revise interim reports to include information about LPN program being on probation.

Keep Working On....

- **Assessment**, both course level and program level.
- **Planning** and program review and improvement processes.
- **Compliance** with all state, federal, and HLC requirements.
- **Documenting** our efforts and closing loops.
- Developing and communicating **processes**.

Next Steps:

1. Report draft—Mid-October (Steering Committee review)
2. Final Visit Report—Mid-November
3. Institutional Actions Council—December
4. HLC Board of Trustees—February meeting
5. Annual Report for “Standard Pathway” colleges—
Spring/Summer 2018, 2019, 2020
6. Preparation for 4th year visit—Spring 2020
7. 4th-year visit—Fall 2021
